Associated Board of the Royal Schools of Music **Music Theory Exam**

The Associated Board of the Royal Schools of Music (ABRSM) was established in London, England in 1889 with the aim of presenting a structured, graded music examination scheme with clear objectives and recognized standards of excellence. The ABRSM Theory Program is a self-paced, progressive system of theory instruction in which students work through graded levels of music theory. The final exam is offered three times annually in the United States. It is a proctored test that is sent to the Associated Board offices in London for grading. Students who pass their level test are awarded a certificate from the Associated Board of the Royal Schools of Music.

Registration Deadline: Thursday January 4, 2007

Exam Date: Saturday March 3, 2006 10:00 am

Exam Location: Turnagain Arts Building, 4105 Turnagain Blvd, Suite V
